"THOUGHTS"

Now that it is all over, and we look back, we remember all the good times we shared in school together. All the times we cut-up in class and hassled the teachers. The moments of laughter we encountered listening to Mr. Champion lecture, and the fear we all experienced when we first stepped into Mr. Bloye's room. We will never forget the Geometry/Football class with Coach VanDomelen, nor Steve Fish's Zoo, the Commons. The exact face and words of these days will fade with time, but the image will always remain. From the days when our teacher helped us buckle our boots to now, when they are saying, "Good Luck, It's all up to you now," has been the docking time in our life, and now it is time to put it out to sea. We will never be able to duplicate or return the last thirteen years, nor will we regret them. The help, push, drive, and understanding various teachers have displayed has taught us that life is not all "reading, writing, and arithmetic." It is something more, much more. It is each other. This lesson, we shall never forget!

"You've Got a Lot to Live . . ."

The 1973-74 Homecoming Dance was a great success. Last year's King, Mike Bivins, and Queen, Donna Thayer, came back to crown this year's King, Sam Gaglio, and Queen, Ann Fliearman. The pages for this year's festivities were Lisa Benedict and Mike Cook.

"Things are not always what they seem."

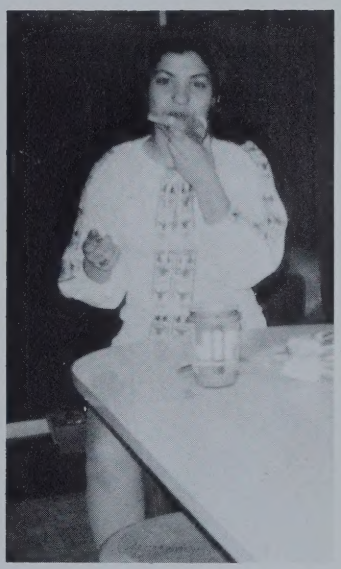
"LIFE INCLUDES MANY LANDS . . ."



My name is Sofia Canales. I am an exchange student from Chile.

Words are not difficult to find, for I believe that this year has been a wonderful experience for me.

It was nice to attend a great school like Kelloggsville.

I will remember always the friendship and enthusiasm that I found here.

I want to say one word, but it expresses everything.

I will miss you. Thank you.

The best of healers is good cheer

The streakers in the orange & blue suits

THE STREAKERS IN THE ORANGE AND BLUE SUITS: The main goals set by this year's Big Orange Machine were the Conference Championship and a berth at the State Class B Meet. The 1973-74 powder-puff game got off to a rainy start. But, despite the weather conditions, the Senior team still managed to slip by the Juniors with a 20-6 victory. With the aid of the two great coaches, Mrs. VanDomelen, Senior coach; and Miss Rosbury, Junior coach; and the efforts of every team member, the game was exciting both for spectators and participators. In spite of the weather, the 1973-74 powder-puff game was a "smashing" success.

When the going gets tough, the tough get going.

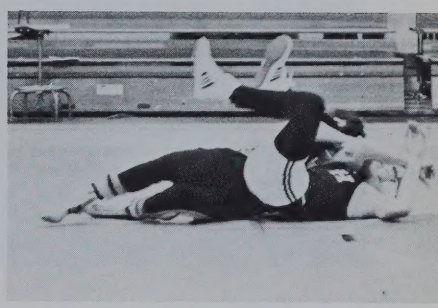
Once again the Kelloggsville wrestling team established itself as a top contender in the Blue division. Our credentials this year were a 5-2 league record and an all-time high of 80 points scored in the Conference meet, thus awarding the Rockets a commanding 2nd place finish behind Class "C" state champions, Comstock Park.

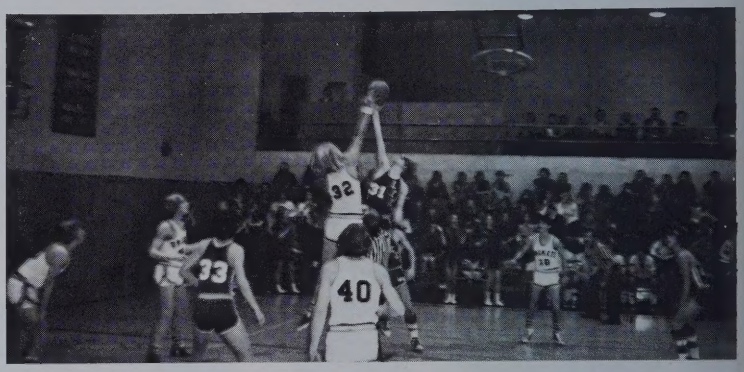
The Rockets finished the season in style with an "all you can eat" banquet at the Grand Rapids Elks Country Club. The highlights of the banquet, besides the gourmet dining, were the team votes that awarded Tim Irwin and John Haan a tie for Most Valuable Wrestler and Brian Cullin the Most Improved Wrestler for the 1973-74 season. Both Tim and John qualified for the State Regionals but failed to gain an entry into the State Finals by two very close matches.

--Coach Fleming



"This year's Varsity Basketball Team ended the season with a 7-13 overall record. Most of the games were very exciting and in eleven games the point spread was by six points or less. We were the highest scoring team in the OK-Blue, averaging 67.5 points per game. Our best games were victories over Hudsonville; Wayland; Comstock Park; and Covenant Christian, the defending state champions in "Class D". We lose only two of our top eight ball players; thus, we will be looking for another exciting season next year in the "White."

--Coach Ringold



This year's Basketball team had a first team all-conference player. Brian Peuler was the player awarded with this honor. Brian is the first player since Mike Kersjes to get the honor of first team. He was voted by his teammates as Most Valuable Player, along with Kurt Bultema. Brian was Kelloggsville's leading scorer and free throw shooter.

Kurt Bultema won Honorable Mention on the all-conference team. Kurt was Kelloggsville's leading rebounder and also the "Blue" Division's leading rebounder.

DANCIN' IN THE MOONLIGHT

Cannonsburg Ski Lodge was the setting for the 1973-74 Junior-Senior Prom, "Dancing in the Moonlight". The entertainment was provided by the "Gandy Gancers". Linda Easterday, Pam Trierweiler, Jane Foster, Jan Crowley, and Jackie Richer aided in the serving of refreshments. There was a large turnout this year, and everyone seemed to enjoy the evening.
